O Partially Met
O Not Met
○ Unknown
Decisions and Actions - Briefly describe specific decisions and actions related to each SLO (e.g., SLO/goal-related changes, method/process-related changes, stakeholder engagement changes, etc.).
Continue with SLO
Include who (e.g., program faculty, a faculty committee, etc.) made the decision, when the decision was made (e.g., faculty retreat, faculty meeting, etc.), what data informed the decision, and a timeline for actions taken or to be taken. Furthermore please briefly describe how your program has demonstrated continuous improvement by considering the following question. What are the effects of your previously stated changes from your last report? What did you do in response to your previous assessment report feedback? How have you made progress since the last assessment report?
B. SLOs reflect professional standards as dictated by an accreditation or other external body.
Yes
C. Describe how stakeholders (both internal and external) are involved in the creation and/or review of SLOs as we as how SLOs are communicated to stakeholders.

A few examples of internal stakeholders (and communication methods) could include full-time/adjunct faculty and staff (departmental meetings or retreats), and/or current students (syllabi, advising documents, student organizations). Some examples of external stakeholders (and communication methods) could include prospective students (recruitment materials), alumni (advisory boards, focus groups, surveys, newsletters), employers (internship evaluation forms, focus groups, surveys, advisory boards, newsletters), and/or community members/groups (advisory boards, focus groups, surveys).
B. Describe any indirect measures or additional data the program uses to complement the direct measures of SLOs.
C. Describe how results are communicated within the program. Address each SLO. If possible, please include the date(s) that Academic Program Assessment results were/will be discussed.
